[START OF TRANSCRIPT]

INVESTIGATOR RandomMcDonallsEggs: For the record, please state your name and department for the log.

i_likeBeans551: i_likebeans551. mc. and i want these kappa-16 dumbasses in a cell, they did more shit than dpi.

INVESTIGATOR RandomMcDonallsEggs: Repairman, please try to maintain a level of professionalism for the recording. Describe the encounter in HCZ.

i_likeBeans551: i dont give a shit about being professional. i was just mopping the goddamn floor near the elevator, minding my own business, right? then this bitch comes sprinting at me like i just breached a fucking scp. im standing there with a mop in my hand and this guy is acting like im some fucking terrorist

INVESTIGATOR RandomMcDonallsEggs: Our logs show a weapon discharge occurred.

i_likeBeans551: no shit. This dumbass pulled his shit and shot at me. i pissed and shitted myself. then, after he shot me, im crouching on the ground, and this bitch pulls out this baton and flings me out of the map for fucking mopping? these sentinels are a bunch of bitchass pussies who think they can do whatever they want because they have tk.

INVESTIGATOR RandomMcDonallsEggs: Did the operative issue any verbal commands before the assault?

i_likeBeans551: nah, this dirtneck just shot me and ran away

INVESTIGATOR RandomMcDonallsEggs: Repairman, please-

i_likeBeans551: stfu, if i see that bitch again, i'm gonna shove this mop handle so far up his ass he'll be tasting the soap. you better actually do your jobs for once and lock them up, or i'm gonna start breaking shit.

INVESTIGATOR RandomMcDonallsEggs: This interview is concluded. Specialist, stay in the lobby for your medical evaluation.
